**Space is limited — RSVP by July 18 to [info@upperdesplainesriver.org](mailto:info@upperdesplainesriver.org)**

**There is no Charge for This Event**

## Bio-fitting a Suburban Yard

Join us for a behind-the-scenes tour of a one-acre private residence in Libertyville that is incorporating green infrastructure and watershed protection practices. The landscape was designed by internationally recognized landscape designer Marcus de la Fleur and features bio-swales, rain-gardens, and other cutting edge bio-filtration practices.

**We hope you will join us for this informative event!!**

**This program is generously  
sponsored by a grant from  
the Grand Victoria Foundation**
